Collaborative Programme Report, Dept. of Education, KCC

The Dept. of Education ,Karup College,Chamata and the Dept. of Education, Tihu College did a MoU in 2019 to carry out the academic and co –curricular programmes hand in hand . Since then we have been continuing to strengthen the bond between the two departments by holding different academic programmes along with students-teachers exchange programme. Today too a day –long training programe was held at Tihu College. It was organized by them in which our dept.extended full collaboration to make the event a successful one.Today’s training programme aims at making students know how to use Microsoft Excel and prepare power point for project and research purposes.The event was begun by lighting a lamp done by DR. kabita Choushury,HoD of Education ,Kamrup College,Chamata . At the Inaugural Session speeches were delivered by Dr. Sabitri Bezbaruah,HoD,Education Dept.,Tihu College,Dr. Kabita Choudhury,Dr. Rita Moni Das and Dr. Sunil Das . Mr. Subhan Gogoi,the Resource person of the programme provided hands on training to the students. He had elaborately described the MS Excel and need of power point presentation in seminar /projects presentation. The participant students were found to be very enthusiastic during the traing time. There was an active interaction from the students on different queries. After the training session a brief valedictory session was held in which Dr. Majula Deka ,former Hod of education and the vice-principal of Tihu College spoke on the theme of the programme and offered vote of thanks . Four participants from both college expressed their feedback on the programme very positively and stated that it has helped them to be more confident in preparing their seminar presentation. Dr. Jatin Borah anchored the programme .The faculties of both the departments vowed to carry out such collaborative programme in the coming days involving the students of both the colleges.

3.workshop on usefulness of ICT

*A REPORT ON TRAINING PROGRAMME
ON
ERP SOFTWARE
"THE USEFULNESS OF ICT TOOLS IN ACADEMIC AND
ADMINISTRATIVE SYSTEM IN COLLEGE"*

Organized by
IQAC, Kamrup College, Chamata
In Collaboration with
S.S Technologies, Guwahati

Date: 01-02-2023

Time: 11.30 AM

Venue: Kamrup College, Chamata digital class room

Objectives of the Programme:

Innovation has moved forward in such a way, presently we cannot spend one sec of our life without it. Now human being utilizes to perform most of the day by day activities with the support of mechanical materials. With the assistance of technology, we are able effortlessly fulfill all the manual work with precision and slightest sum of time. Computers and Computer program has one of the foremost critical apparatus in each platform. It offers to work and perform all the critical assignments more proficiently. Information and Communication Technology (ICT) has become one of the most significant supportive and compelling setups for school, colleges and universities etc. Therefore, Internal Quality Assurance Cell (IQAC) of Kamrup college organized a training program on the usefulness of ICT devices in academic and administrative system in college for faculties and staffs.

4. Uses of ICT in Teaching Learning process in College

Kamrup College, Chamata

P.O- Chamata

ICT enabled tools for effective teaching-learning process

Teachers use ICT enabled tools for effective teaching-learning process. Today, it is essential for the students to learn and master the latest technologies in order to be corporate ready. As a consequence, teachers are combining technology with traditional mode of instruction to engage students in long term learning. College uses Information and Communication Technology (ICT) in education to support, enhance, and optimize the delivery of education.

The following tools are used by the Institute ICT Tools:

1. Projectors- 4 projectors are available in different classrooms
2. Desktop and Laptops- Arranged at Computer Lab and Faculty cabins all over the campus.
3. Printers- They are installed at Labs, HOD Cabins and all prominent places.
4. Photocopier machines - Multifunction printers are available at all prominent places in the institute. There are four photostat machines available in campus.
5. Scanners- Multifunction printers are available at all prominent places.
6. Seminar Rooms- Three seminar halls are equipped with all digital facilities.
7. Smart Board- One smart board is installed in the campus.
8. Auditorium- It is digitally equipped with mike, projector, cameras and computer system.
9. Online Classes through Zoom, Google Meet, Microsoft Team, Google Classroom)
10. Digital Library resources Use of ICT By Faculty

5. Programme of Cyber security

A REPORT ON WORKSHOP PROGRAMME ON CYBER SECURITY AWARENESS

Organized by
Department of Higher Education,
Government of Assam
In Collaboration with
IQAC, Kamrup College, Chamata
Gratia Technologies,

Date: 13-02-2023
Time: 11.30 AM
Venue: Kamrup College, Chamata

Objective:

Technology has grown such rapidly in nowadays the we can't even imagine our day to day life without them. Starting from a school-going kid to a retired person we all are so adapted with technology. With the assistance of technology, we are able effortlessly fulfill all the manual work with precision and slightest sum of time. But the rapid growth of using technology is also creating havoc for some technical frauds. We shall remain alarmed towards such cyber crime, and it is of utmost importance to make our students aware about such frauds. Therefore, Internal Quality Assurance Cell (IQAC) of Kamrup college organized a workshop on the topic Cyber security awareness to create awareness among the students as well as faculties and staffs towards such technical frauds.

Overview of the programme:

Altogether around 400 people including faculties, students and college staffs attended the workshop program. Mr. Biju Pegu, CEH, ECSA, CHFI, OSCE, CISA was invited as the speaker for the program. The program was started at 11.30 AM and **Dr. Biswajit Das** (Assist. Prof, KCC) gave a quick introduction of the speaker and few glimpse of importance of the awareness program. Further, the spokesperson was facilitated by **Marie Pegu** (Assist. Prof, KCC). Next, a short speech was given by **Dr. Dhrubajyoti Nath** (Assist. Prof, KCC) explaining the importance of such awareness among us. **Dr. Nabendu Kumar Deb** (Assist. Prof, KCC) spoke about the objective of the program and how the session will be fruitful towards all the students and faculties of the college.

The spokesperson interacted so beautifully with the students and explained everything so elucidely. He showed some demos to make us feel how dangerous can a cyber crime is. He made us aware about the hackers and various spam calls and messages. Further he demonstrated how to prevent such cyber crimes and different practices that we shall follow in our day to day internet activities and several other topics of high relevance. Overall the program was so engaging and informative. The students also share their experience and gave their feedback. At the end, **Dr. Biswajit Das** (*Assist. Prof, KCC*) concluded the program by showering his vote of thanks to the speaker, government of Assam, Gratia Technology, and all the family members of Kmarup College, Chamat

Report on International Women's Day
Held on 10th March, 2023

Date: 10th March, 2023

Venue: Community Hall, KCC

Introduction:

International Women's Day (IWD) is celebrated annually throughout the globe on 8th March. This day marks the achievements of women in all walks of life including science and technology, social, economic, cultural and political fields. IWD highlights the challenges undertaken by women, emphasizes their rights and creates resolutions to uproot gender inequality. The purpose of the day for the year 2023 is to create digital awareness among the women population all over the world. The United Nations Observance of IWD, under the theme "**DigitALL: Innovation and technology for gender equality**" recognizes and celebrates the achievements of women and girls who are championing the advancement of transformative technology and digital education.

Women have historically faced barriers to accessing and using digital technology, but the potential for technology to empower women is significant. By providing access to digital tools and skills training, women can increase their economic opportunities, access information and education, and participate more fully in social and political life. With a focus on the digital world this year (2023), the United Nations chose "**DigitALL: Innovation and technology for gender equality**" as the theme for International Women's Day. The theme aims to highlight the importance of bridging the digital gender divide and promoting women's equal participation in the digital economy. It also calls for innovative solutions that can address the unique challenges faced by women in accessing and using digital technology.
