The prospect of giving a presentation fills some people with dread, while others relish the experience. However you feel, presenting your work to an audience is a vital part of professional life for researchers and academics. Presentations are a great way to speak directly to people who are interested in your field of study, to gather ideas to push your projects forward, and to make valuable personal connections.

9.Workshop on Self-Defence

WORKSHOP ON SELF-DEFENCE FOR WOMEN

ORGANISED BY IQAC IN COLLABORATION WITH WOMEN'S CELL.

FROM 17th TO 21st FEB.2022

Taekwondo and Karate are forms of martial arts. It not only builds strength, stamina and flexibility but also improves overall fitness and wellbeing. It is also expected that learning these skills would develop the self-esteem of the girl students. Women are simply at a higher risk than men, therefore IQAC decided to organize a self-defense workshop for our girls students in collaboration with Women's Cell. A five days workshop was organized in the college from 17th to 21st February, 2022. For this purpose "Prahar", a leading organization of the state in Martial Art was invited to provide the training in Tau-k-Wando and Karate to the girls students of our college. The programme was inaugurated by Dr. Bhabendra Nath Pathak, President, Governing Body, Kamrup College, Chamata. In his inaugural speech, he highly appreciated such endeavors undertaken by the IQAC and Women's Cell in context of the growing crimes against the women in our society. Dr. Debendra Kr. Bezbaruah, principal of the college in his brief speech applauded the programme which will help the students to be stronger and confident to proceed in their lives. The function anchored by Dr. Kabita Choudhury, Coordinator, IQAC and it was attended by the teaching staff of the college. Two energetic youths of the organization, Prahar, Moon Das and Rakesh Das offered training to the students. On the first day, the class began with warm up exercises, followed by running and then basic Karate and Taekwondo. The following four days were full of fun, energy and tight schedules devoted to attaining all the lifesaving skills under the trainers. The participants were found to be enthusiastically absorbed in the whole training sessions. In the last day of the programme a valedictory session was held where the students were presented with a participation certificate at the end of the programme.

The participant students are asked to continue their practices regularly and they are doing the same. They are now fully able to defend themselves from any kind of unwanted incidents that might be faced by them. They are also found to be competent to join any taekwondo and karate competitions. So it was an impactful programme for our girls.

Report of Academic Lecture organized by Dept. Of Economics, Kamrup College

An academic lecture on "Career guidance and soft skills" was held at Kamrup College organised by the department of Economics on 4th October 2023. The resource persons invited for this lecture program were Dr. Anjali Devi, Associate Professor and HOD, Department of Economics, Barama College and Dr. Sanjib Kr Goswami, Assistant Professor (SG), former HOD, Department of English, Kamrup College. The programme was chaired by Rumu Saloi, Assistant Professor, Department of Economics, Kamrup College. The principal, vice principal, librarian, faculty members, office staff attended the lecture program along with the students of the economics department.

Dr Anjali Devi delivered her speech on career guidance. She started with the meaning of career guidance which is a counselling program that helps students to choose the right career path based on their educational and professional choices. She explained how career guidance typically begins with an assessment of an individual's skills, interests and strengths and how this information can be used by the students to identify potential career paths that may be a good fit.

Dr Sanjib Kr Goswami made an excellent presentation on soft skills. He defined soft skills as the ability to interact amicably with others. He explained that soft skills are important for students as these skills will help the students to think critically i.e. to understand, apply, analyse, synthesise and evaluate information. The students should value these skills because these skills will help them for an educational and professional environments.
